Adult Spring Reading Challenge

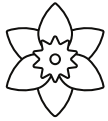

March 1 - April 1

***Donate a book to support middle school libraries!**

Encourage literacy in our community by donating a book. We asked the middle school librarians in Haywood County for a list of books they'd like to add to their collection. Look for the the pot of daffodils at either Waynesville or the Canton Branch. Select a flower/book title to donate. Bring a gently used or new copy of your selected title to either Waynesville or the Canton Branch.

****Walk and Read**

Add a little physical activity to your reading routine! Enjoy the poetry walk located in the Giving Garden at the Canton Branch Library or the Storywalk along the Richland Creek Trail at Vance Street Park in Waynesville. You can also listen to a book while doing your favorite exercise.
