

OUR GOALS

- Serve children from 0-5 years of age with special needs, as well as their families.
- Connect families with community services that can meet their needs.
- Educate parents about nutrition, well-child care, school health, genetic services, newborn screenings and various resources.
- Reduce toxic stress for children
- Work with medical homes to provide smooth transition across care settings.

WHAT IS CC4C ?

A free community service that strives to ensure that children are raised in healthy, safe and nurturing environments so they can achieve their developmental potential.

Services may include:

- Help family schedule appointments
- Assisting in communication with doctors
- Identifying programs, services and resources that meet a family's needs
- Assisting with finding appropriate housing
- Identifying ways to strengthen parent-child relationships
- Assisting with tracking well-child care and immunization schedules
- Introducing parents to support programs when available
- Offering ongoing encouragement and support programs when available

WHO CAN REFER TO CC4C ?

- Parents
- Doctors
- Hospitals
- Social Workers
- Family Members
- Day Care Providers
- Other County & State Agencies

CC4C Care Managers can assist with finding:

- Medical Care
- Transportation
- Childcare
- Financial Aid

HOW MUCH DOES CC4C COST ?

There is no charge.

Eligibility is never based on income.

It is determined by a set of risk factors and diagnoses.

The CC4C Care Manager contacts families on a weekly to quarterly basis depending on a family's needs or goals.
